Petunia Dreams Burgundy

Petunia Dreams Burgundy Picotee

Petunia Dreams Red Picotee

Petunia Dreams Rose Morn

Petunia Dreams Sky Blue

PETUNIA

Daddy Sugar - Light orchid with deep purple veins. 3-4" flowers. Garden height 8-10".

Dreams - Weather tolerant plants bloom uniformly with 3-4" flowers. Height 8-10".

- Burgundy**
- Burgundy Picotee**
- Red Picotee**
- Rose Morn**
- Sky Blue**

Madness Blue Star - Compact and floriferous, puts on an impressive show throughout summer right up until frost. 3" blooms cover well-branched 10-12" tall plants.

Pretty Grand - Better branching and improved airflow give better garden performance than comparable types. Height 6-10".

- Midnight**
- Mix**
- Pink Deep**
- Red**
- White**

Prism Sunshine - The best performing yellow grandiflora. Early, 3-3-1/2" blooms and a compact, uniform habit.

Shake Raspberry - An eye-catching range of colors and patterns on one plant! A dwarf petunia with large flowers. Height 6-8"; Spread 8-10".

PETUNIA - DOUBLES 

Double Madness - The compact floriferous plants deliver generous masses of large 3" flowers all summer. Double Madness bounces back within hours of a rainstorm. Later to flower than regular petunias.

- Mix**

PORTULACA 

Happy Hour - Happy Hour will flower up to 2 weeks earlier, since it is bred for reduced day-length sensitivity. Flowers uniformly across the series. Height 8-10".

- Banana**
- Mix**

SALVIA FARINACEA 

Victoria Blue - Large, intense, mid-blue spikes borne on compact, 16-18" plants that spread to 14" across. Good for cutting. Blooms into the fall. Excellent landscape plant.

SALVIA SPLENDENS 

Vista - Heat tolerant, early flowering with good outdoor performance. Excellent branching. 4-6" in packs; 12-13" in garden. Full sun in the north.

Petunia Amoré Purple
Heart

Amoré (continued) – Each flower is decorated with hearts between the stripes. Nicely selected group with similar habits and bloom times.

Queen of Hearts

Capella Fuchsia Lace – Mounding habit makes them ideal for baskets, planters, window boxes and gardens.

Cascadias – From early spring to first frost, they continue to grow and bloom profusely. Feed well for best performance.

Fantasy Hot Pink

Indian Summer

Purple Gem

Crazytunia – A collection of novelty colors, sure to please. Height 12-14". Spread 18-24".

Cosmic Purple

Cosmic Violet

Frisky Orange

Pink Flamingo

Dekko – Pollinator friendly. Blooms early spring through summer. Medium-vigorous. Height 8-12". Spread 18-22".

Banana

Maxx Pink

Flower Shower Mayan Sunset –

Semi-trailing habit with incredible weather tolerance. Non-stop flowering from early spring through fall. Height 12-14". Spread 20-28".

Painted Love Purple – You'll love this unique bicolor purple and white petunia. Ideal growth habit for hanging baskets, containers and gardens. The color intensifies in higher heat and light. Height 10-14". Spread 20-24".

Ray – A beautiful, mounding habit just covers itself in large flowers. All will bloom early in the spring for the start-up of your season.

Ray (continued) - A beautiful, mounding habit just covers itself in large flowers. All will bloom early in the spring for the start-up of your season.

Sunflower

Splash Dance - For the "starry" look in your eyes, their speckled pattern holds its unique coloration into the heat. Has a compact, trailing habit. Use in 4½" up to large containers, hanging baskets or ground covers.

Bolero Blue

Magenta Mambo

PETUNIA-MINI

Itsy - This little beauty has compact-medium vigor, exceptional branching and tons of tiny blooms. Also perfect for landscapes and is pollinator friendly. Blooms mid-spring to summer. Height 4-6". Spread 18-24".

White

Shortcake Blueberry - Features mid-sized, bicolor flowers on a spreading, compact, medium vigor habit. Very stable throughout the season. Height 8-12". Spread 18-22".

SCAEVOLA

Danziger Varieties - A more compact habit, with medium growth, medium flower size and early flowering. Height 6-12". Spread 14-18".

Auvent Plants

ALTERNANTHERA

Purple Prince - Durable carpet of ruby/burgundy foliage good for summer landscapes. Resists damage from both drought and heavy rain. Height 10-16".

CHLOROPHYTUM

Green Edge - Long, slender, graceful leaves curve from central rosettes and have a central white stripe. Popular as a hanging basket and lovely in a shady planter.

CORDYLINE

Red Sensation - Excellent as a stand-alone or as the centerpiece of mixed containers. Cordyline is a slow grower so allow plenty of time to obtain size. Bronze-red. Height 36".

DICHONDRA

Silver Falls - Shiny silver foliage cascades 3-4 ft making a stunning show. Doesn't need pinching. Also used as a ground cover.

DRACAENA

Indivisa (Spikes) - Attractive plant with erect habit and sword shaped, smooth leaves. Grows up to 2 ft tall in the garden.

HEDERA

Often called English Ivy. This hardy accent plant makes a great addition to mixed planters or baskets. Feed lightly.

**Asterisk
Gold Child**

HELICHRYSUM

Silver Star - Arching stems with small leaves gives a delicate, silver lining to mixed containers and hanging baskets.

HYPOESTES

Lotty Dotty - Showcases vibrant speckled colors for summer shade gardens. Height 12-24", spread 12-24".

ACCENT PLANTS

SENECIO

Silver Gleam - Features soft serrated leaves in silvery gray shades. Vigorous, upright plants add beauty and texture to large containers and gardens. Heat and drought tolerant as well as deer resistant. Height 12-16". Spread 12".

Full Sun Part Sun Full Shade

Senecio Silver Gleam

ACCENT PLANTS

STROBILANTHES

Persian Shield - Dark green variegated leaves with metallic purple on top, all purple on underside. A showy foliage plant for bedding or mixed containers. Height 3-4'. Spread 2-3'.

Strobilanthes Persian Shield

Tradescantia Pistachio White

TRADESCANTIA

Pistachio White - A great plant for baskets or combinations. Fast growing, trailing habit. Easy to grow. Height 4-8". Spread 10-24". Heavy white variegation on green leaves.

Vinca Major Variegated

VINCA

Major Variegated - Ever popular variegated vine. Does best with some shade.
