7033254 - 1.5 cuft

Coast of Maine®

Coast of Maine Bar Harbor Blend Organic Potting Soil

Lightweight soil mixture made with salmon, blueberry, lobster and other composts, as well as calcium and chitin-rich lobster shells, sphagnum peat, perlite and kelp meal. It is dark brown in color and provides the perfect balance between water retention and drainage needed for healthy plants.

81600008 - 1 cuft
81600007 - 2 cuft

Coast of Maine Castine Blend Organic Raised Bed Mix

Rich and diverse soil for growing big and healthy vegetables, herbs and flowers. It is made with a mixture of manure compost, worm castings, lobster and kelp meals, mycorrhizae, greensand and biochar. It is ready to use straight out of the bag with no need for additional components or tilling.

81600061 - 2 cuft
COMRBS60CF - 60 cuft

Coast of Maine Penobscot Blend Organic All Purpose Planting Soil

Perfect for bedding annuals and planting perennials, roses, shrubs, and trees. This specially crafted soil amendment is enriched with compost, oyster shells, and root-enhancing mycorrhizae. It provides your beds with diverse, in-ground living soil, drainage, and aeration that your bushes, saplings, plants, and flowers need to flourish all season long.

81600002 - 1 cuft

Coast of Maine Tomatoes & Vegetables Planting Soil

Handcrafted to help create the ideal conditions for home vegetable gardening. Made with premium compost, sphagnum peat moss and aged bark, for naturally light weight soil mix to grow an abundance of tomatoes and vegetables.

81600119 - 20 qt

Coast of Maine Roses & Flowers Planting Soil

Ideal planting mix to improve and revitalize the soil in and around all of your rose varieties, flowers, and perennials. Made with premium compost, sphagnum peat moss and aged bark, providing the perfect light weight soil mix.

81600117 - 20 qt

Coast of Maine Acid-Loving Plants Soil

Ideal mix to improve and revitalize plants that thrive in lower pH soils like rhododendrons, azaleas, hollies, blueberries, strawberries, ferns, fuchsias, camellias, dogwoods, and conifers. A low pH premium formulation made of peat moss, compost, and aged bark, is naturally lightweight.

81600118 - 20 qt

Coast of Maine Schoodic Blend Cow Manure Compost

Coast of Maine Organic Products Schoodic Blend Cow Manure Compost is a dark, rich soil made from carefully composted cow manure blended with sphagnum peat moss. The result is an all-natural, easy-to-use, all-purpose organic soil amendment that can be used to recondition poor garden soil or help start new plantings of trees and shrubs.

81600005 - 1 cuft

Coast of Maine Quoddy Blend Lobster Compost

Coast of Maine Organic Products Quoddy Blend Lobster Compost is made with lobster shells, compost and sphagnum peat moss. It is a dark-brown, complex soil filled with everything your plants need for healthy growth. It drains well and is an ideal soil conditioner for existing beds that need reinvigorating. It is OMRI listed for use in organic gardens.

81600001 - 1 cuft

0.75 cuft Scott's Premium Humus & Manure

Scotts Premium Humus and Manure is a soil conditioner enriched with humus and organic matter to condition the soil in your lawn or garden. Use it as a top dressing to maintain your garden or as a conditioner when establishing a new garden. For in-ground use only.

5-10-5 FERTILIZER

Soil Amendments

Jonathan Green Love Your Soil® Hard Soil Supplement

It breaks up clay, loosens compacted soil, and releases trapped nutrients for better root penetration. Stimulates soil microbes, improving soil health and water retention for a stronger, more resilient lawn.

7521446 - 15.5 lbs
Established: 5,000 sq ft New: 2,500 sq ft

7521511 - 46.5 lbs
Established: 5,000 sq ft New: 2,500 sq ft

Jonathan Green Mag-I-Cal® for Lawns in Acidic Soil

Quickly raise soil pH with this pelletized lime, improving lawn health and encouraging vibrant grass growth. Ideal for soils with pH levels between 4.0 and 6.0, it helps combat weeds and promotes deep green lawns.

7521214 - 18 lbs
Established: 5,000 sq ft New: 2,500 sq ft

7521602 - 54 lbs
Established: 15,000 sq ft New: 7,500 sq ft

Soil Doctor Organic Pulverized Garden Lime

Lime neutralizes soil acidity, raising pH for healthy plants, grass, and flowers. It supplies calcium and magnesium and boosts fertilizer effectiveness. Without proper soil balance, you're wasting money on fertilizer. Lime is 100% natural and environmentally safe.

72570 - 40 lbs
Coverage: 1,000 sq ft

Soil Doctor Organic Pelletized Garden Lime

A natural soil amendment that enhances "living soil" with essential minerals like Calcium and Magnesium. Easy to apply, it corrects soil pH, promotes healthy green lawns, boosts fertilizer effectiveness, and encourages vigorous growth.

LIMEPELLETIZED - 40 lbs
Coverage: 1,000 sq ft

Lawn Insect Killers & Disease Control

Jonathan Green Natural Grub & Lawn Insect Control

Kills over 100 pests, including grubs and fleas, using natural plant oils. Safe for pollinators, pets, and the environment. Repels insects and prevents future infestations.

711925 - 10 lbs
Coverage: 5,000 sq ft

Scotts GrubEx Grub and Insect Control Granules

Prevent lawn damage caused by grubs and other insects with a single application that lasts up to 4 months. Kills and prevents grubs, armyworms, chinch bugs, and more. Ideal for spring or early summer application.

7298797 - 14.35 lbs
Coverage: 5,000 sq ft

7238926 - 29 lbs
Coverage: 10,000 sq ft
